The Potentate’s Message

My fellow Shrine Masons,

June begins with our annual Spring Membership Ceremonial in honor of MW Richard “Rick” Hoover a Noble from our very own Egypt Shriners.

The month continues with several events including the annual LOS “Putting for a Purpose” fundraiser at SHC-Tampa on the 4th, a visit to Sebring Lodge #249 on the 8th, the Director’s Staff Corn Boil on the 11th, an ‘80’s Rock concert on the 17th and Father’s Day on the 18th.

June wraps up with a Hunter’s Safety Course sponsored by the Rod & Gun Club on the 24/25th and on we celebrate “Founder’s Day” with unique and entertaining event on Sunday, May 25th. Tickets for this event will be “Limited” with only 180 reserved seats available.

The “Property Issue” as it has been affectionately named continues and I encourage each of you to attend our monthly Stated Meetings to learn more about the future of Egypt Shriners.

Whatever you do this month, please do this one thing....ask just one Mason to become an Egypt Shriner and he will. Just ask him!

May God bless you- may God bless our Country - and may God bless our beloved Egypt Shrine and Shriners International.

All the best,

James W. Lich

2 Sands Magazine - June 2017
5 for 5 Membership Program Guidelines

‘The Noble’ is the top-line signer (T.L.S.) for FIVE New Candidates who become EGYPT Shriners and each of whom remains current in their payment of dues for a period of FIVE years.

The TLS must have remained current in paying HIS own dues for that same period and not have been suspended during that same period for non-payment of dues.

A ‘new noble’ must remain Egypt Shriners for at least one year prior to transferring membership to another Shrine Center to qualify under the program.

Should any of the ‘new Nobles’ resign their membership or be suspended for non-payment of dues, that ‘new noble’ will no longer be included in this incentive program. The TLS must nominate a new candidate and that replacement candidate must remain a Noble as described above for 5 years, as well as the TLS’s other candidates.

When the TLS has nominated five Shriners who remain current in the payment of their dues for five years, he will receive a Life Membership at a stated meeting.

This program commenced January 1, 2015. It is NOT retroactive!
The hiring of a lawyer is an important decision that should not be based solely upon advertisements. Before you decide, ask us to send you free written information about our qualifications and experience.
2017 First Lady's Project

Overview

The purpose of this year's First Lady's fundraiser will be to refurbish our Egypt Shrine – Unit Building sign. This sign has a rich history and a very special meaning to all members of Egypt Shrine, both past & present.

Our First Lady for 2017 will support this goal by hosting two unique and exciting special events scheduled for: June 17th and September 16th. This project will also find support through the sale of a "Limited Edition" bling pin priced at $15.00 each.

Illustrious Sirs James W. Lich, Potentate of Egypt Shriners and Mitch L. Lokken, Potentate of Bahia Shriners would like to announce a joint One Day Spring Ceremonial in Tampa to Honor:

M:.W:. Richard “Rick” G. Hoover

Saturday June 3, 2017
Location: Ala Carte Shrine Pavilion

Start Time 8 AM
“Freemasonry makes good men better.” This familiar axiom often rolls from our lips in response to inquiries about our fraternity. Is it true? Are we better men, fathers, sons, siblings or citizens because we are Masons? How would we know? How do we judge ourselves?

In considering this idea we might first distinguish between being a “good” Mason and an “active” Mason. If our aim was “activity,” we could judge ourselves by meetings attended, membership in numerous appendant bodies; the officers lines worked and the titles acquired; the ritual teams contributed to, proficiency cards held, jewels dangling from our breasts and lapel pins affixed to our coats. Such measures indicate our participation, but not our progress. Titles and jewels signify effort, but not necessarily results, improvement or development.

It is not enough to be active – to be true to the Fraternity’s axiom we must be better than whence we came.

To evaluate if we are better, whether we have grown, and if, indeed, we are making a contribution to our fellow men and to society, we need some criteria and method to consider our individual progress. And it is a progressive endeavor – there is no point at which we can conclude we are “good” men, but we may recognize ourselves as “better” men than we were before.

How might we evaluate ourselves?

Plutarch of Chaeronea (45-120 CE) provides a helpful script in his work Moralia. It includes an essay “How a Young Man May Become Aware of His Progress in Virtue.” Plutarch posits a series of questions that may help us recognize progress in our search for Light and Truth; whether our character and virtue have evolved as a result of our membership in the Fraternity.

Plutarch does not pull any punches. He wraps up the essay by suggesting – asserting – that we know that we are making progress, that we are becoming virtuous men when, even in our slumber and rest, we do not even dream unworthy thoughts, of vice or immoral conduct; we are becoming virtuous, when even in our sleep, every desire or stirring of depravity and licentiousness is absent.” Whew!

Plutarch notes that character is a habit, ethos, long continued. To help good men become better men, Freemasonry inculcates the virtues of good
character, ethikas aretas, the virtues of habit, the habit of virtuous conduct.

The Valley of Tampa regularly meets at its Center in Tampa on the 2nd Monday of each month. Dinner is served at 5:45 PM and the regular meeting starts at 7:30 PM. At our June 12th meeting, we will host our annual Flag Day ceremony; this meeting is open to all Brethren, family and friends.

Casey Fletcher is Past Master of Tuscan Lodge No. 6 in Bartow, Florida. He has many bad habits and vices – sloth is not among them; he hopes that will prove helpful.

Her volunteer experience at Shriners Hospital has brought about many long-term friendships with fellow volunteers as well as wonderful memories. One particular patient she still talks about today is Claudio, an international patient who spent many months in our Inpatient unit, whom she was very fond of. Laverne also loved serving meals to our patients in the Fishbowl back in the day.

Laverne would probably just brush off or down play the dependability and dedication she has shown these past 2 decades, but that is one of the things that make her such a wonderful volunteer. It is her humility, sense of teamwork, perseverance, kindness, flexibility, and willingness to help in any way that makes her so deserving of this honor. Because of all this and more, we are so pleased to announce Laverne Hampton as our 2017 Female Volunteer of the Year!
The BSC May Birthday Luncheon was also well attended and with great fellowship had by all. The following Birthday Nobles were honored: George Alfonso, Richard Besett, Richard Boettger, PPWM, Hernando Caicedo, George Hannon and Bret Osborn. Happy Birthday Nobles.

The BSC also held a Spaghetti Dinner Fundraiser Dinner at the clubhouse this month. Noble Sherman Hendry & Noble Bob Colon cooked up a spaghetti sauce and meat balls that was indescribably GOOD! Noble Lamar Dittebrand cooked up the noodles to perfection. Noble George George Hannon baked up a wonderful garlic bread and prepared a wonderful salad bar. Noble Mark Vargo and his Lady Patti served up seriously enormous portions to all our guest. Noble Rich Boettger as usual ran the Bar with an experienced hand. Noble Clint Crabtree did what he does best, since he is our long time Treasurer, sold the tickets at the door. We served hundreds of spaghetti dinners during the fundraiser.

Since Memorial Day falls on the last Monday in May there will not a club meeting this month, since it is a Holiday.

Since Memorial Day falls on the last Monday in May there will not a club meeting this month, since it is a Holiday.

Greetings from the Ridge. Our activities are slowing down for the hot summer months but we still have several activities scheduled during the summer months. Our May social was well attended with a wonderful pork roast dinner with all the trimmings. The evening was highlighted with members bringing photo’s of their mothers and were asked for comments of favorite memories. Afterwards there was music from our members cd’s for dancing and listening pleasure. There were lots of fun and fellowship. The May Dinner & Business meeting was cancelled since the Memorial Day Picnic date was so close.

On Monday, May 29th, a Memorial Day Observance and picnic was held. The Dart club furnished the meat again this year, the club furnished all the trimmings and the Ladies brought their favorite dish to pass and as usual, the food and fellowship was fantastic.

The club will not be serving breakfast and the stores will be closed during the months of May through September. The next scheduled activity will be the July 4th indoor picnic. Again ladies will be asked to bring their favorite dish to pass. These are always lots of fun and well attended. Plan now to be there and wear your red, white and blue.

Some activities such as Tuesday night cards, Wednesday Morning Coffee, Friday Night Darts, Bunco, etc. will continue during the summer. The monthly newsletter and our website www.highlandsshrine.com will keep you advised of any special activities or changes during this period.

We are sad that our past president, Noble Don Cains is leaving us to return to Indiana to be closer to his children. There was a get together at Demerits Restaurant with 39 nobles and ladies attending to say good bye. VP Alan Carr presented Noble Don with a life member card and certificate. Noble Don will be missed but we understand his need to return to Indiana. Our loss and Mizpah Shrine gain. We wish Noble Don the best of luck as he enters into a new part of his life.

Also, Nobles and Masons, if you are traveling to or thru Highlands County with a motor home or RV, please keep the Shrine Club in mind for an overnight stay or longer if you prefer. We have 4 spaces with electricity and water located on our grounds in shaded areas. These accommodations are reserved for Nobles and Masons only. We are located at 2604 State Road 17, Avon Park, Fl. For more information, call our club at 863 382-2208, leave your name & telephone number and we will get back to you shortly.

In closing, to all the Nobles and Ladies of Egypt Shrine have a fun and safe summer. God Bless!
New Port Richey is thriving and you have to be with us at our next meeting. It is Ladies Luncheon with the Director of Clubs. We will learn much on the other clubs and what is happening with the Egypt Shrine and where it is going to be next year. This will be a great opportunity to ask questions and obtain knowledge.

Good meals as always with a meat or Fish. Good and mighty fulfilling..

Location: American Legion Post 79, Veterans Rd. , New Port Richey, Fl at 12:00 Noon. It is always a place to talk about where we are headed for the New Temple.

Meet your new Members and make them feel welcome and see what a year this will turn out to be. There always is a Surprise at these Events.

Call Past President Frank Goff at 727-375-7900 for your choice of meat or Fried Fish. Cost is a mere $10.00 a person and bring your lady.

See you at the best and active Shrine Club in the area.

Pinellas Shrine Club
By Noble Doane N. Wright

Our May meeting was business as usual with one exception. During our meeting a brother Noble came into the club room by the name of Richard Gay. He told us he had a Fez donation that was given to him for our Fez Wall. To our surprise the Fez was white and belonged to a deceased member of LOSNA. We placed the Fez on our wall and we agreed it made a pleasant addition. Brother Gay said he did not know the person who owned the Fez or any of the history.

As we said last month plans for a major event in 2018 are in the formative stage and we will offer more news as plans proceed. Please be sure to view the coming editions of the Sands online for future details.

We had a visit from a member of Star Lodge who will attend the June 3rd Ceremonial and afterwards will become a new member for our club. This is the type of recruitment that we will continue to need for the future of our club which we understand is growing faster than any other club connected to EGYPT.

We have voted to make our regular meeting date from the second Tuesday of the month to the fourth Tuesday of the month. This will take us out of competition with the Divan, Scottish Rite and other bodies. Our June meeting will be held on the second Tuesday as usual and the July meeting will be held on the fourth Tuesday of July, the 25th. Please make note of this change. We also hope that this will improve our member attendance.

Our meetings are held at 7:00 pm in our clubroom at the Barley Mo Brewing Co., at 521 Commerce Drive West in Largo FL 33770.

Rod & Gun
By Noble Dick Richards

Attention all Egypt Shriners! The Rod and Gun Club is sponsoring a free two day Hunter’s Safety Course on June 24th and 25th.

The first day, Saturday June 24th will cover our classroom portion of the class to include wildlife conservation, first aid and field survival skills, laws and most importantly, safety. There will also be a 50 question test at the end of instruction. This portion will be held in the Stu Lang building in the Director’s Staff room from 9:00 a/m until 4:00 p.m.

The second day, June 25th, will be held at the
Tenoroc Public Shooting Range in Lakeland at 3755 Tenoroc Mine Road, Lakeland, FL 33805. The time will be from 8:00 a.m. until approximately 4:30 p.m. There will be a field walk covering shoot – don’t shoot scenarios. There will also be live fire with muzzle loaded firearm, bow and arrow and a 22 rifle.

The Range portion will complete the Hunter’s Safety Course. Participants will be provided with a Certificate of Completion. This certificate is a new requirement to obtain a hunting license.

Please contact the Secretary, Dave Sickler, at dsickler@tampabay.rr.com to sign-up for the course or any additional information. The sign-up deadline is June 12, 2017.

Don’t forget our Sports Extravaganza on September 30, 2017 in the Stu Lang building. Additional details will be forthcoming.

Come join us at our next meeting on June 19, 2017 in the Director’s Staff room at 7:00 p.m.

Another month has flown by and I fear I have not been much help for our club. My feet have kept me from helping with the big one for the month, The Shrine Circus. However we were will represented and need to thank those that worked it for our club. Having not been there I don’t know who all was there but I am sure of a few who always show up and work hard. Gerald Pittman and His Lady Ann, her friend Connie. Then there is John Amato, always working for the good of the club. Our President Butch Seward also would of been there. And a big thanks to all the rest. Our picture this week was to be from the Circus which I received by phone and Now I can not seem to locate. So therefore, I shall put that picture on hold till next month with another apology.

I can make the announcement that our Bumper Cars now all have brakes so there will be no more demolition tournaments with the unit. We have some more fixing to do but are looking forward to being back at the parades this next winter. If you would like to experience driving one of our cars come join us this fall. First meeting will be the first Monday in November. And the cost of joining our Club is a whopping $20.00 dollars, yes that is Twenty Dollars. Hope to see you in November.

Speaking of Clownin’ around...let’s hear it for your Egypt Shrine Clowns who were out in full force at this year’s Egypt Shrine Circus! It was a FUNtastic time, all around! A big THANK YOU to all of our Egypt Shrine Clowns who took time out of their busy schedules to make this year’s Circus the best yet! A special thank you to our Ladies that provided food and drinks to give our Egypt Shrine Clowns the sustenance they needed to be non-stop Funny! And one last big THANK YOU to Illustrious Sir James W. Lich and the Members of the Divan, aka “JC Penney”, for being real sports in our brand new skit; it was an instant hit!

Moving on to May. It’s a relatively quiet month, especially for a bunch of Clowns! But we start June with a bang! June 3, 2017, starting bright and early (8 AM), your Egypt Shrine Clowns will be at the Spring Ceremonial to welcome our new Nobles and remind them why Fun n’ Frolic is the most FUNtastic Unit around!

Speaking of new Nobles, did you know that there’s nothing quite like being on the front-lines of your Egypt Shrine as an Egypt Shrine Clown?! It’s true! So, if you’re a ***New Noble*** - or just looking to join a Unit that likes to hit the ground running and fall over backwards to make a difference in our Shriner Kids’ lives – you should come to our next Unit meeting. We meet in the Clown Room on the 3rd Wednesday of the month. Come hungry because we start the monkeyshines with a 6:30 Dinner cooked by one of the Clowns (guaranteed to taste FUNNY), followed by a 7:30 Meeting. I speak for the entire Unit when I say we hope to see you there!

Remember, to a Clown, everything tastes funny! So, if you have any comments or questions, contact our Boss Clown at MooCow@egyptshrineclowns.com.

was also the consummate gentleman and person. He never had a cross word for anyone and all was greeted with a smile and a handshake. Rest in Peace Imperial Sir, we know you are looking down upon us with a smile on your face.

The circus came and went, and the Legion of Honor was well represented. We had no less than 5 Nobles at every performance who represented our unit with honor and dignity as well as our Shrine Center. Thanks to 2nd Lt. Commander Dale Perry who at times did double duty with the Legion and with the Showmens Shrine Club.

At the Stated Meeting the Rotary Club of Lakeland honored all Vietnam veterans with an outstanding presentation about the history of the war, and then presented all the Vietnam Era Veterans with a proclamation from former President Barrack Obama and a lapel pin for the 50th Anniversary of the war. All branches of the military were represented.

For the next couple of months, we try and catch our breath. Other than our regular assignments at the Monthly Stated Meetings we will be going “dark” for July and August, but, will be marching in force at the Imperial Session Parade on July 11th.

The unit is in full swing for the Pick, Pack and Move agenda. Br sure to look at the inventory list established by Lt. Commander Dale Perry. There will be a “Yard Sale” in August for each unit to sell off unwanted things. The date has yet to be announced.

If you are active military of the U.S. forces or allies or honorably discharged veteran, then the Legion of Honor is looking for you to join our ranks. Ask any member for a petition to send you on that path.

The Legion of Honor meets the first Thursday after the Council of Units Meeting at 1930 in the Legion of Honor Room in the “Stu Lang Activities Center.”

Our next Regularly Scheduled Unit meeting will be on Thursday, June 8th, beginning at 1930. Also, because of the Imperial Session the July meeting has been moved back a week to June 29th.

PHARAOHS...Thank you to all competition riders and Pit Crew (that’s everyone!) - Drill practice doesn’t work unless EVERYONE is there. We need your laughs and your jokes.

We’re competing in Imperial, so see you on Sundays. If you’re not with us in Daytona, I’m sending the Grand High Exalted Ruler, the Poobah, the Big Guy! Are ya wit me? El Jefe: says: “¡Arriba, Arriba! ¡Andale, Andale!”

Lastly, Pharaohs meeting on June 13 -> Oasis before-hand. Peace be with you.

Provost Guard
By Noble Tom Edwards PP

On June 1, 1948 Noble John D. Latture Sr. organized the Provost Guard Unit of Egypt Temple and received a charter from Potentate, Illustrious Sir J. R. Wadsworth. Congratulations on the 69th Anniversary and Birthday Day of the Egypt Shrine Provost Guard. Some of our Unit members weren’t born yet!

Get ready for the Spring Ceremonial June 3, 2017. Please get your petitions into the office today! And a special thank you to all the Provost Guard members who supported the Shrine Circus. Over 28 members worked at our Circus this year. We had an excellent turnout of Nobles and everyone enjoyed the “Greatest Show on Earth”.

The planning has begun for the Annual Provost Guard Country Western Dance with Nobles Harry Pope, Joe Osborne Sr., Joey Davis, Dean Botts, and Don Stockton as chairmen for this great event. I can’t wait to see the band and the famous two-step dancing on Saturday, September 23, 2017. Everyone’s invited to the western party! See any Guard Members for tickets.

On June 25, 2017 we will be celebrating our 99th Annual Founders Day Celebration of Egypt Shrine Temple. Watch for flyers and information in the SANDS. Tickets will be limited so call the office now!

Remember the June 15th meeting will be our regular meeting and covered dish dinner with our ladies beginning at 6:30 P.M. This month we are busy with the Spring Ceremonial, Lodge Visits, Putting for a Purpose, Corn Boil, Scottish Rite Flag Day, First Ladies Fundraiser, Founders Day Celebration, and Happy Father’s Day to all.

All Nobles in good standing are welcome to join with the Egypt Shrine Provost Guard. We meet on the third Thursday of each month at 7:30 P.M. in the Unit Room. Come out and join with us.

**BBQ at the Oasis**

By Our Own World Famous Pit Master

**Dennis Bryant**

June 30, 2017

Come join us on June 30, 2017 at the Egypt’s Oasis to enjoy great food, great music and great fun. The festivities will start out with a cash bar at 6:00 p.m. and dinner at 7:00 p.m.

We will be serving Dennis’s famous pulled pork sliders along with beans, cheesy hash browns, coleslaw, and dessert. All for only $12.00 per person for all you can eat. To repeat: all you can eat for $12.00 per person.

Does everyone remember the last time Dennis cooked his famous bar-b-que pork? It was a huge success and sellout. Nobody left hungry and there wasn’t anything left. That’s why we have to limit the number of people to no more than the first 200 people.

In addition to Dennis’s famous bar-b-que, we will have live music by LZ Trio, with vocals by Shotz Crown and Inna Tune. ALL of this for $12.00.

So round up your ladies and friends and come out and enjoy some of the best bar-b-que you can have at any price with live music and great fun.

See you at the Oasis!

Influencing Treatment and Improving Lives through Research

Conducting contemporary, meticulous and innovative research to improve patient care and enhance medical knowledge of injury and disease is one of the three parts of the overall mission of Shriners Hospitals for Children®.

What began as a small research effort with a budget of $12,000 is now a multimillion-dollar sophisticated program that involves peer review of grant applications and is recognized around the world. Over the years, our researchers have made significant breakthroughs in all four of our service lines – orthopaedics, burns, spinal cord injury, and cleft lip and palate – improving the care and quality of life for countless children worldwide.

Shriners Hospitals for Children funds innovative research projects, special shared facilities, and training fellowships. The 2016 research budget is supporting a total of 121 grants (new, renewal, revision and continuation), 67 bench science projects, 32 clinical research projects and 22 Special Shared Facilities. Eleven of our hospitals are participating in one or more of the funded projects. In addition to research grants, support is also provided for fellowships as a component of the organization’s educational mission of training new researchers.

Partnerships Promote Our Goals
Our close affiliations with colleges and universities across the country allow us to enhance the quality and scope of our research. Relationships like those with Massachusetts General Hospital, Harvard Medical School, Oregon Health Sciences University, Washington University-St. Louis, Temple University, the University of California-Davis, University of Cincinnati, University of Texas Medical Branch at Galveston, and many others help us meet our goals of improving clinical practice and pursuing fundamental scientific theories.

Research Emphasis and Direction
Today, our research efforts are focused on translational research, i.e. bench-to-bedside and bedside-to-bench research, and regenerative medicine. Although regenerative medicine is in its early stages, it has the potential to treat, reduce or eliminate the long-term causes of many of the conditions that affect our patients, including burns and other skin injuries, as well as orthopaedic and neuromuscular injury and disease. The field of regenerative medicine offers a unique chance for translational research, and a significant opportunity for personalized medicine for our patients.

We also continue to promote clinical research. We examine new treatment modalities, as well as outcomes associated with care, in order to continuously improve the clinical attention we give to our patients.

Research Projects
Examples of research underway throughout our health care system include projects in these areas:

- The genetics of metabolic bone disease
- The relationship between the ability to fight disease and genetic makeup
- The link between folate and spina bifida
- Effective strategies for repairing spinal cord injury
- The causes of cerebral palsy and effective therapies for its prevention and treatment
- Ways to grow new bone and cartilage using technology and therapies
**In Memoriam**

Passed within the Unseen Temple,
Life is a story in volumes three.
The past, the present, yet to be.
The first we've written and laid away.
The second we're reading day by day.
The third and last of the volumes three,
is locked from sight.
God keepeth the key.

Here we GROW Again!
“Drone Racing Club”

Airborne FPV is a type of remote-control (RC) flying that has grown in popularity in recent years. It involves mounting a small video camera and an analogue video transmitter to an RC aircraft and flying by means of a live video down-link, commonly displayed on video goggles or a portable monitor. FPV is currently one of the fastest growing activities involving RC aircraft, and has given rise to a small but growing industry of virtual pilots. FPV aircraft are frequently used for aerial photography and videography and now Racing! Nobles have been asking about forming a new “Special Club” for those who may be interested in DRONE RACING!

SPECIAL ANNOUNCEMENT
The last brick order for this year is now complete and installed. As you know we will be moving out of our buildings by January of 2018, and everything must go. This includes our brick patio which will be removed “professionally” by the company we have been dealing with for 4 years. This should happen in the middle of November. They will then place all of our bricks in storage until we are settled in our NEW temple and we decide on the placement of our bricks. They will then reinstall the bricks for us. It is very important that the inventory of bricks remain intact - so please DO NOT REMOVE ANY BRICKS ON YOUR OWN - if you do we can not guarantee that your brick will be replaced in the design at the new facility. Thank you for your attention to this very important message.
